

OUR JOURNEY TOGETHER. FOR GOOD.

Community

We are good neighbors

It has been estimated that as much as **30%** of all food grown worldwide may be lost or wasted.

(Food Waste Recovery Alliance, U.K. Government Office for Science,

“The Future of Food and Farming: Challenges and Choices for Global Sustainability.”)

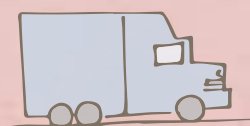

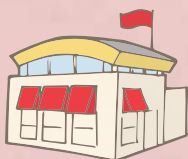

Our first food donation was at the 2014 World Wide Convention in Orlando where we donated 30,000 pounds. As of 2020 our total food donations have reached 1.2 million pounds, which equals **1.2 million meals**.

Americans throw away more than **31%** of the food we prepare, about **96 billion pounds** of food are wasted each year.

(U.S. Department of Agriculture's Estimating and Addressing America's Food Losses PDF).

The Process FOOD THAT MEETS ALL FOOD SAFETY STANDARDS IS PACKED, LABELED & FROZEN AT OUR RESTAURANTS, THEN PICKED UP BY & DELIVERED TO LOCAL CHARITIES

The benefits of the food donation program include: hungry people are fed, less waste to landfill, food is re-invested in the community, reduced CO₂ emissions

In Rapid City, all food donations go to Feeding South Dakota! The Walla Organization donates thousands of dollars of food monthly to this great charity.
